#KeepItTeal for a safe and healthy Halloween

Offer non-food treats that are safer for children on special diets.

Print in "reverse" or "mirror" on T-Shirt Transfer Paper. Follow manufacturer's directions.

KidsWithFoodAllergies.org
Ideas for #KeepItTeal Fabric Crafts

Print image in "reverse" or "mirror" on T-shirt Transfer Paper. Follow transfer paper manufacturer's directions for printing and fabric application.

Items to put image on (best on white or light colored fabric):

T-shirts
Canvas bags
Fabric banners
Fabric cape

Keep it simple and just use the image. Or embellish it to make it your own!

After image is applied to fabric, outline or fill in using:

Fabric paints - use neon or glow in the dark
Fabric glitter glue
Embroidery
Thin ribbon
Small sequins or stones

Don't forget to share your #KeepItTeal project with us at http://community.kidswithfoodallergies.org/set/halloween-costume-parade-2014
